Re: Laura Brown

To: Your Honor:

I am writing you this letter for the character of my youngest sister, Laura Brown.

My sister Laura is the youngest of six siblings. She is a mother to a beautiful, smart six year old girl named Melody. Laura is a very smart girl who enjoys spending time with her daughter doing "girlie" things. Laura has always had dreams of being a hair stylist and one day owning her own shop.

Laura being the youngest of the family has always had a huge support system, including the support of our parents who have been

married for 44 years now. I know  
with the love and support from  
the family, Laura will proceed  
on with their dreams. As a family,  
we love to spend our time together  
just hanging out watching movies,  
swimming, boating, camping, eating,  
cooking, going to church, Sunday  
morning breakfast or just hanging  
around our parents house.

Thank you,

Stacy Kirkland
